Prashanth Kumar Kadasi

Data Analyst @ Black Piano | Analyzing Data Insights
Hyderabad, Telangana, India

Summary

With over five months of experience as a Data Analyst at Black Piano, I contribute to uncovering actionable insights through data analysis and automation. My focus lies in leveraging tools such as Google Analytics and SQL to streamline processes and enhance decision-making. My expertise includes proficiency in AI/ML, JavaScript, Node.js, and command-line interfaces, alongside certifications in SQL. I am dedicated to optimizing data workflows and creating impactful dashboards that support organizational goals.
